LICENSING & REVIEW

### Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

### Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 USC 181 (a) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (b) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (c) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (d) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (e) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (f) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (g) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (h) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (i) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (j) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (k) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (l) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (m) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (n) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (o) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (p) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (q) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (r) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (s) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (t) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (u) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (v) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (w) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (x) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (y) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention. (z) (1) (A) requires that an application for a patent be filed in the United States within 12 months from the date of the invention.
